

## **NOTIFICATION NO. 9/2026**

### **Non-Teaching Position – Corporate Relations & Placement Placement Officer**

Kaveri University invites applications from qualified and experienced candidates for the position of **Placement Officer** to strengthen industry-academia engagement and achieve comprehensive placement assistance for students across Agriculture, AgriTech, Engineering, Management, and allied disciplines.

#### **Minimum Qualifications & Experience**

MBA (Agribusiness/HR/Marketing) from a recognized University OR M.Sc. Agriculture with Management background/qualification from a recognized University OR related degree.

#### **Required Skills and Competencies**

- 1) Strong industry network across agriculture, agritech, food processing, engineering, manufacturing, and technology sectors.
- 2) Excellent communication, relationship management, negotiation, and employer engagement skills.
- 3) Demonstrated experience in organizing placement drives, recruitment events, career fairs, and internship programs.
- 4) Ability to design and implement student employability, skill development, and career readiness initiatives.
- 5) Proficiency in placement analytics, data management, reporting systems, and compliance requirements related to accreditation and regulatory bodies.
- 6) Good understanding of NEP 2020, outcome-based education, industry-integrated learning, and emerging workforce trends.
- 7) Strong organizational, event management, and stakeholder coordination capabilities.
- 8) Ability to work collaboratively with academic departments, industry partners, startups, government agencies, and research organizations.

#### **Role Objective**

To position Kaveri University as a premier talent hub by driving placement and internship opportunities through strategic partnerships with industry, startups, research organizations, and corporate stakeholders.

#### **Desirable**

- 1) Exposure to Agriculture, Agribusiness, AgriTech, Food Processing, Rural Development, or Agri-Food value chains.

2) Experience in employer branding, corporate partnerships, and industry-academia collaboration initiatives.

3) Familiarity with startup ecosystems, incubation centres, innovation management, and entrepreneurship development
