

**ACADEMIC REGULATIONS GOVERNING
UNDERGRADUATE PROGRAMMES (TECHNOLOGY)
OF THE KAVERI UNIVERSITY
(FROM ACADEMIC YEAR 2025 - 26 ONWARDS)**

**Kaveri University
Gowaram Village, Wargal Mandal, Siddipet-502279
Telangana State, India.**

Dr. V. Praveen Rao
Vice Chancellor
E-mail- vc@kaveriuniversity.edu.in

FOREWORD

In compliance with the Telangana State Private Universities Act 2018, Kaveri University was formed at Gowramam, Siddipet District, Telangana State, with a mission to offer quality education matched with global standards. Maintaining this dedication and guaranteeing excellence in engineering programs depend heavily on the creation of strong regulations.

Kaveri University's engineering program regulations provide a complete framework for all aspects of engineering education, such as program organization, curriculum design, evaluation methodologies, and degree conferral. These regulations are intended to maintain the highest levels of academic integrity, encourage creativity in teaching and research, and assure fairness and transparency across all academic processes. Adherence to these regulations is critical to ensuring the quality and global recognition of engineering awards.

These regulations, which are authorized by the university's statutory bodies, are applicable to all of its graduate engineering programs. They are intended to promote a demanding and engaging academic environment and represent recognized best practices in higher education. These regulations will be reviewed on a regular basis to ensure they remain relevant. It is required that all faculty members, students, and administrative personnel involved in undergraduate engineering programs become familiar with the most recent edition, which is accessible on the university's website. Kaveri University is committed to establishing a vibrant and encouraging learning environment where academics can flourish.

I would like to express my appreciation to Dr. Mekala Sreenivas, Associate Professor of CSE, Dr. Raj Kumar Patra, Professor of CSE & Dr K Srinivas, Dean, School of Agricultural Engineering & Technology and Dr. B Srinivasulu, Registrar, Kaveri University whose dedication, expertise, and hard work have played a crucial role in producing a document that is thorough and visionary, fully in line with the university's goals for Technology education.

Place: Kaveri University
Date:2025

Dr. V Praveen Rao

**ACADEMIC REGULATIONS GOVERNING
UNDERGRADUATE PROGRAMMES (TECHNOLOGY)
OF THE KAVERI UNIVERSITY
(FROM ACADEMIC YEAR 2025 - 26 ONWARDS)**

1.0 SHORT TITLE

These regulations shall be called 'The Kaveri University Regulations', 2025 governing the undergraduate courses of study leading to the award of the degrees of B.Tech - (Computer Science & Engineering) & B.Tech- Computer Science and Engineering (Artificial Intelligence and Machine Learning). These regulations shall apply to the students admitted from the academic year 2025-26 onwards.

2.0 DEFINITIONS

2.1 Academic Year: The academic year of the University shall ordinarily be from July to May (except in the case of year of admission) and shall consist of two semesters.

2.2 Semester: A minimum duration of 110 working days, consisting of 95 instructional days and 15 examination days except during the year of admission.

For a short semester in the year of admissions, the number of classes shall be increased proportionately.

2.3 Credit Hour: Each credit hour represents one-hour lecture of two to three hours of laboratory each week in a semester. It is also known as semester credit or credit.

2.4 Course: A course is a unit of instruction or segment of subject matter (as specified in the course catalogue) to be covered in a semester. It has a specific number, title and credits.

2.5 Grade Point of a Course: Grade Point is the value obtained by dividing the percentage of marks secured in a course by 10. The grade point is expressed on a 10-point scale up to 3 decimal places.

2.6 Credit Point of a Course: Credit Point of a course is the product of credit hours and grade point obtained by a student in a course.

2.7 Semester Grade Point Average (SGPA): Semester Grade Point Average is the quotient of the total credit points obtained by a student in various courses at the end of each semester divided by the total credit hours taken by him/her in that semester. The grading is done on a 10-point scale. The SGPA is to be corrected up to third decimal place.

$$\text{GPA} = \frac{\text{Total Points Scored}}{\text{Total Credits(per that semester)}}$$

2.8 Cumulative Grade Point Average (CGPA): Cumulative Grade Point Average is the quotient of cumulative credit points obtained by a student in all the courses taken by him/her from the beginning of the first semester of the degree course divided by the total

credit hours of all the courses which he/she had completed up to the end of a specified semester from the first semester. It determines overall performance of a student in all the courses taken during a period covering more than a semester. The CGPA is to be corrected up to third decimal point.

$$CGPA = \frac{\text{Total Credit Points Scored}}{\text{Course Credits}}$$

2.9. For final percentage of marks equal into the computer final CGPA, the following formula may be used

$$\% \text{ of Marks} = CGPA \times 10$$

2.10 Semester Final Examinations: Semester final examinations for each course are conducted by the University at the end of each semester in the theory portion of the course.

3.0 ADMISSIONS

3.1 Admission including selections to the undergraduate courses, ordinarily made in the beginning of the first semester of the academic year, shall be in accordance with the regulations laid down from time to time by the University.

No candidate shall be admitted after the closing date of admission in the particular academic year

3.2 Fee: The fee once paid will not be refunded. The fee for application, semester fee, special fee, examination fee and other fee shall be as prescribed by the University from time to time.

4.0 COURSES, CREDITS AND SYLLABI

The details of the courses, credits and syllabi of the undergraduate courses shall be as prescribed by the Academic Council from time to time.

5.0 ADVISORY SYSTEM

The students on their admission shall be divided into convenient batches by the Dean of the college and each batch is assigned to one of the teachers who is designated as the Advisor. Each student immediately after enrolment fills up all the registration cards with the guidance of his/her advisor. Among other things, the advisor shall help the students in planning the programmes of their studies. The advisor will establish and foster close personal relationship with students assigned to him/her during their entire stay in the college by having periodical meetings either with the entire batch of students or with each student as often as is considered necessary in an effort to know their problems, review their study programmes and taken remedial actions as may be necessary in consultation with the teachers concerned and the Dean.

The advisor will maintain a record containing particulars of previous academic progress of the student, courses registered and examinations appeared and grades obtained in each course in each semester as per the format prescribed by the University (Annexure-1).

6.0 REGISTRATION

6.1 Registration for the first time in the University: Students who have received notification of admission from the University into various faculties will receive, on arrival, guidelines for registration from the Deans of the respective colleges.

A registration and orientation programme will be conducted by the Dean of the college for the benefit of the students joining the University for the first time.

Attendance in respect of fresh students for the first semester shall be reckoned from the date of registration of the concerned student.

6.2 Registration for the subsequent semesters

The following are the steps in the registration of students for different courses.

a) The students each batch shall register for the set of courses offered in that batch and fill in the registration cards in person producing the identity card at the registration center on the day of registration. The students having backlog courses can register the total backlog courses and few fresh courses offered in that semester for that batch and fill in the cards. Advisor in turn will countersign and send them to the Dean's office. The Dean's office shall prepare a list of registered students for each course and send them course-wise to the concerned teacher within a week.

b) The payment of fees and other arrears due to the college, department, hostel, library etc., shall precede registration.

c) Late fee for UG students shall be Rs. 100/- for the first three working days starting from the next day of the scheduled date of registration and thereafter Rs. 200/- per day for a further period of four working days. The attendance will however be reckoned from the day of commencement of instructions as per the academic calendar.

6.3. Credit Courses

All subjects/courses must be **registered by the student in each semester** to earn the corresponding credits. Each subject/course is assigned credits based on the **L:T:P:C structure**, which represents **Lecture hours (L)**, **Tutorial hours (T)**, **Practical hours (P)**, and **Credits (C)**, following a standardized academic pattern. The details of credit allocation for each course are clearly mentioned in the syllabus copy for the reference and guidance of the student.

6.4 Mandatory Courses (non-credit)

Courses such as **Environmental Science**, **Constitution of India**, **Intellectual Property Rights**, and the **Gender Sensitization Lab** are **mandatory courses**. These courses are designed to provide essential knowledge but will **not carry any credits**.

6.5. Course classification

S.No	Course Category	Description
1	BS – Basic Sciences	Science subjects such as Mathematics, Physics and Chemistry
2	ES – Engineering Sciences	Fundamental Engineering Subjects comprised of all branches of engineering
3	HS– Humanities and Social Sciences	Includes subjects related to Humanities, Social Sciences and Management
4	PC – Professional Core	Core subjects related to the branch of Engineering student joined
5	PE – Professional Electives	Elective subjects related to the branch of Engineering student joined
6	OE – Open Electives	Elective subjects include interdisciplinary courses or courses from areas outside the student's chosen branch of engineering.
7	Capstone Project	B.Tech. Project or UG Project or UG Major Project or Project Stage I & II. Students can choose to do a capstone project to show their knowledge and skills in their major or area of study, under the guidance of a faculty member from the department.
8	Industry Training/ Internship/ Industry Oriented Mini Project/ Mini- Project/ Skill Development Courses	Industry Training/ Internship/ Industry Oriented Mini-Project/ Mini-Project/ Skill Development Courses
9	Seminar	Seminar/ Colloquium based on core contents related to parent discipline/ department/ branch of Engineering.
10	Minor Courses	1 or 2 Credit Courses (subset of HS)
11	Mandatory Courses (MC)	Mandatory Courses (non-credit)

6.6 Flexibility to Move from One Programme of Study to Another

Students are permitted to transfer from their initially chosen programme to another programme up to the commencement of the third semester, subject to the availability of seats in the desired programme. Such requests must be submitted and processed prior to the beginning of the semester.

Students wishing to change programmes must meet the admission requirements of the new programme, undergo a review process to establish course equivalency for credit transfer, and pay the applicable programme fees. This provision is designed to offer academic flexibility while ensuring the academic standards and integrity of the university's programmes are upheld. In case multiple request for programme change then the selection will be based on the first-year CGPA.

6.7 MOOCs (Massive Open Online Courses)

Students are given the flexibility to choose and complete courses through Massive Open Online Courses (MOOCs) during their study period. Undergraduate students are allowed

to register for MOOC courses on platforms like SWAYAM, with a limit of up to 40% of the total programme credits, in place of Elective courses. However, professional Core courses cannot be substituted with MOOC courses unless explicitly approved by the Board of Studies (BoS). Students intending to transfer credits from MOOC courses must obtain prior approval from the BoS of the respective department.

6.8 Equivalency and credit transfer

Upon successful completion of SWAYAM courses (with prior approval), students will be awarded an **equivalent grade or score** based on their performance in the **online evaluation** or **University-conducted assessment**. The **respective Board of Studies (BoS)** will recommend the **equivalent grade and credits** according to the **university's policy**.

6.9 Study load for semester: For the purpose of calculation of study load, number of credits registered in a semester includes fresh courses and courses to be repeated due to shortage of attendance. The total study load for students shall not be more than 24 credit hours per semester.

7.0 ATTENDANCE

Every student shall ordinarily attend all classes in a course. However, the minimum attendance prescribed in a course is 75%. The attendance shall be reckoned for theory and practicals separately. A student who fails to put in the minimum attendance either in theory or practicals, his/her registration for that course shall be treated as cancelled.

7.1 Minimum Attendance

The minimum attendance requirements can be relaxed up to 10% on medical grounds i.e, up to 65% for theory and practicals separately only in case of indoor hospitalisation.

7.2 (a) If a student admitted to the first-year undergraduate programme does not register for the courses of the first semester of that year, or having registered, fails to maintain at least 75% attendance in all the courses, his/her admission shall stand cancelled. However, the admission may not be cancelled in exceptional and deserving cases, considering the facts and merits of the case, as provided in clause (b) of this regulation.

(b) A student who wishes to seek relaxation of provision in clause (a) of this regulation for good and exceptional reasons may make an application within 7 (seven) calendar days from the last day of Instruction of first semester to the Dean of the college concerned giving the grounds and the proof thereof due to which he/she could not fulfil the minimum attendance requirement, provided he/she puts in at least 60% attendance during the first semester of admission. Such application shall be considered by a committee consisting of a senior Professor or a senior Associate Professor in the colleges where a Professor is not existing (as nominated by the Dean.) the OIAM (Officer In charge of Academic Matters) of the college, Advisor of the student concerned and the University Medical Officer. If the committee is satisfied that there were exceptional circumstances warranting exercise of discretion to relax the provision in clause (a) of this regulation, the Dean may pass an order allowing the student to continue the studies in relaxation of the provision in clause (a). The

student so permitted to continue the studies shall re- register the courses, in which he/she had shortage of attendance when offered next.

7.3 When a student has to leave the college after completion of first semester of study, for reasons beyond his/her control, he/she shall obtain prior permission from the Dean for discontinuation within one month from the date of discontinuation. If a student fails to take such permission, he/she shall not be eligible for readmission. A student, permitted to discontinue by the Dean, shall apply to the Dean for readmission, at least one month before the commencement of the semester in which readmission is sought. After the discontinuation period, the set of courses if not offered during the semester, the student shall wait for another semester for registration of courses. However, the maximum period of break shall not exceed 4 (four) semesters under any circumstances including the semester during which he/she discontinued.

7.4 Where a student leaves the college taking a T.C. he/she shall not be eligible for readmission.

8.0 EVALUATION OF STUDENTS, EXAMINATIONS AND GRADES

8.1 (a) The evaluation of the student in a course shall be based on his/her performance in various kinds of examinations, records, class work and other types of exercises.

(b) The detailed course outlines in each course shall be prepared by the concerned teacher(s) in consultation with the University Head of the Department/Head of the Department, which will be made available to the students during the first week of the semester. A schedule of the mid-semester examinations of the academic programme shall be prepared by the Dean and notified to the students at the beginning of each semester.

(c) Answer scripts of mid-semester examinations are evaluated by the teacher and shall be shown to the students. The students shall have the option to request the teacher for clarification of any doubts in scoring, provided that such clarification is requested when the answer scripts are made available to them. This shall not apply to final theory and practical examinations.

8.2 Mid-semester examinations: There shall be one mid-semester examination to be conducted by the teacher offering the course after 50% of the working days are over in a semester. The duration for mid- semester examination shall be for two hours and the final theory examination shall be three hours. The marks allotted for mid-semester and semester final theory examinations shall be 50 and 100, respectively. Ordinarily, no condonation for absence of mid-semester examination shall be given. However, the mid-semester examination to be conducted to the students who could not appear these examinations in view of their participation in the inter-university and national sports, literary and cultural events etc., along with the students who are genuinely prevented from taking examination in the case of serious illness or accident or any other case. This repeat examination shall be held within two weeks from the date of examination missed and shall be a common examination for all such students. Unless a student appears for the mid-semester examination, he/she shall not be permitted to appear for the semester final theory and practical examinations in the course concerned. The special re-examination shall be conducted as per the time fixed by the Dean within two weeks from the last date of mid-

semester examinations. The average marks of the two midterm examinations will be considered as the final internal marks, out of a total of 50 marks.

8.3 Semester final examinations:

(a) The semester final examinations in each course shall be held at the end of each semester. The semester final examination in the theory portion shall be of three hours duration and carry 50 marks. It is the responsibility of the University to conduct the semester final theory examination, practical examinations. The students shall be given two preparation holidays (inclusive of the public holiday) before the commencement of semester's final theory examinations.

(b) Answer scripts of semester final theory examinations evaluated through spot valuation system. On the last day of semester final examinations, the Dean shall send all the sealed answer scripts to the selected centre where they are coded, before distribution for valuation. The duration of spot valuation is 7 (seven) working days. Evaluation instructions are issued by the University for each semester.

8.4 Computation and Award of Courses Grades: Marks for the practical shall be based on continuous evaluation of practical classes and a final practical examination which shall include a viva-voce examination.

Examinations

Practical Evaluation

Mid-term Exam (40%)+ Continuation Evaluation(10%) + External (50%)

Theory Evaluation

Mid-term Exam (40%)+Assignment (10%) + External Theory (50%)

Computation and award of course grades are detailed in Annexure-II

Semester Final Practical Examinations (Internal)

Shall be conducted by course instructor(s) and one teacher nominated by HOD.

Semester Final Theory Examinations (External)

The syllabus of the courses concerned shall be sent to at least two teachers of other state Universities for each course who shall prepare the question paper.

The DOE(Director of Education) /COE shall choose two question papers which shall be moderated by the teachers as identified by the DOE(Director of Education)/COE and finally one of the question papers shall be chosen by DOE(Director of Education)/COE for the conduct of semester final theory examination. Evaluation shall be done internally by the faculty other than the course instructor.

8.4. Evaluation of Audit courses

A student registered for **audit course(s)** may appear for examinations only if they meet the **attendance requirement**, certified by the **Head of the Department**. These courses

will be listed under a separate "**Audit Course(s)**" section in the final grade/marks sheet, but **no credits** will be awarded for them.

8.5 II Year II Semester Real-Time (or) Field-based Research Project course or minor project:

The internal evaluation is for 50 marks and it shall take place during I Mid-Term examination and II Mid-Term examination. The average marks of two Mid-Term examinations is the final for 50 marks. Student shall have to earn 40%, i.e. 20 marks out of 50 marks from average of the two examinations. There shall be NO external evaluation. The student is deemed to have failed, if he/she does not satisfy the below conditions.

- (i) does not submit a report on the Project, or
- (ii) does not make a presentation of the same before the internal committee as per schedule, or
- (iii) secures less than 40% marks in this course.

8.6. Industry / Research Lab Internship

In VI Semester there shall be an Industry training (or) Internship (or) Industry oriented Mini-project (or) Skill Development Courses (or) Paper presentation in reputed journal (or) Industry Oriented Mini Project in collaboration with an industry of their specialization.

Students shall register for this immediately after II-Year II Semester Examinations and pursue it during summer vacation/semester break & during III Year without effecting regular course work.

Internship at reputed organization (or) Skill development courses (or) Paper presentation in reputed journal (or) Industry Oriented Mini Project shall be submitted in a report form and presented before the committee in III-year II semester before end semester examination.

It shall be evaluated for 100 external marks. Minimum marks to pass the examination is 50. The committee consists of an External Examiner, Head of the Department, Supervisor of the Industry Oriented Mini Project (or) Internship etc, Internal Supervisor and a Senior Faculty Member of the Department.

There shall be NO internal marks for Industry Training (or) Internship (or) Mini-Project (or) Skill Development Courses (or) Paper Presentation in reputed journal (or) Industry Oriented Mini Project.

If a student fails to appear for the external examination or does not pass the exam, they must reappear for the same examination in the following academic year by paying the applicable examination fee.

8.7 Capstone Project & Research

Students can perform Project work or Research individually or in a group (not exceeding four (4) members). Projects and Research are assessed under continuous evaluation for 100 marks, and the student must obtain a minimum of 50% to complete the course successfully. Evaluation includes weightage for periodic reviews, reports and final viva voce. The Capstone Project Stage-I begins in the 7th semester and is completed in the 8th

semester. The evaluation of the project will be conducted by an external examiner appointed by the university. To pass the project examination, a student must secure at least 50% of the total marks allotted for the project. If a student fails to appear for the external examination or does not pass, they must reappear for the same examination in the following academic year by paying the applicable examination fee.

8.8 Grading System

Grades will be awarded to indicate the performance of students in each Theory Subject, Laboratory/ Practicals/ Industry-Oriented Mini Project/Internship/ SDC and Project Stage. Based on the percentage of marks obtained (Continuous Internal Evaluation plus Semester End Examination, both taken together) as specified in item 7 above, a corresponding letter grade shall be given. A letter grade does not indicate any specific percentage of marks secured by the student, but it indicates only the range of percentage of marks.

8.8.1. Grade points and symbols in absolute grading

As a measure of the performance of a student, a 10-point absolute grading system using the following letter grades (as per UGC/AICTE guidelines) and corresponding percentage of marks shall be followed

% of Marks Secured in a Subject/Course (Class Intervals)	Letter Grade (UGC Guidelines)	Grade Points
Greater than or equal to 90%	O (Outstanding)	10
80 and less than 90%	A⁺ (Excellent)	9
70 and less than 80%	A (Very Good)	8
60 and less than 70%	B⁺ (Good)	7
50 and less than 60%	B (Average)	6
40 and less than 50%	C (Pass)	5
Below 40%	F (FAIL)	0
Absent	Ab	0

8.9 Mass Absence of Students From a Class or Examination: Absence of students 'en-masse' from a class or examination shall not be condoned. The Dean, in addition, may order suspension of the course, if deemed necessary.

8.10 Unfair Means During Tests and Examinations: The Dean of the college shall be responsible for dealing with all cases of use of unfair means in various examinations. The phrase. "Use of Unfair Means' includes possession of any information or material by the student, talking to other students, copying from other students or from printed or written material may include 'use of mobiles or any other electronic gadgets, impersonation etc. The invigilator concerned, on finding the use of unfair means by any student may take the answer scripts of the student and the material evidence, if any, and the explanation from the student. The student may also be sent out of the examination hall Immediately. The invigilator concerned shall report each case of unfair means directly to the Dean immediately with full details of the incident, answer scripts, the available evidence and explanation of the concerned students, if any. The Dean, on receipt of the report, may give an opportunity to the concerned student to represent his/her case considering all the available evidence, and the Dean shall take appropriate action immediately. The penalty shall be as indicated below:

a) A student found using unfair means during mid-semester examination shall be deemed to have failed in that course.

b) A student found using unfair means during semester final examination shall be deemed to have failed in all the courses, he/she has registered in that semester and/or in such of those courses in which he/she appeared for semester final examination in that semester. In such cases, the student shall not be permitted to take the remaining examinations, if any. in that semester.

c) The Dean shall report each case falling under (a) and (b) above immediately (after passing the order to the DOE). For using unfair means of a serious nature such as ignoring the repeated instructions of invigilator, or abusing, threatening or assaulting the invigilator, warranting higher penalties than those Indicated in clauses (a) and (b) above, the Dean, besides treating the student as failed in all the courses he/she registered in that semester, may further debar the student for the succeeding semester and the fact be informed to the DOE. Further, if more severe punishments felt necessary, will be imposed, The Dean shall immediately inform the University about the details of each case, together with all the material evidence if any, and his/her recommendation. The explanation or representation of the student, if any, may also be sent. The Vice-Chancellor after examining the case, may debar the student for further period or permanently. The decision of the Vice-Chancellor is final.

d) The parent or the guardian of the concerned student shall be informed of any punishment awarded to the student and the reason therefor.

8.11 Scrutiny of Grades: The student may apply to the Registrar within one week after the announcement of the grades for scrutiny of the totalling of marks of the semester final examination or calculation of grade points obtained by him advancing sufficient reasons for such a request. The fee for such scrutiny shall be as prescribed from time to time.

9.0 ACADEMIC STATUS AND SCHOLASTIC DEFICIENCIES

9.1 (a) The student is eligible to write Semester End Examination of the concerned subject, if the student scores $\geq 35\%$ (14 marks) of 40 Continuous Internal Examination (CIE) marks. In case, the student appears for **Semester Final Theory Examinations** of the

concerned subject but not scored minimum 35% of CIE marks (14 marks out of 40 mid semester exam marks), his performance in that subject in SEE shall stand cancelled in spite of appearing the **Semester Final Theory Examinations**.

(b) Whenever a student wants to take re-examination in any course(s) he/she should fill in the particulars in a prescribed application form duly paying the re-exam fee of Rs. 50/- (Rupees fifty only) for each course subject to a maximum of Rs. 100/- (Rupees hundred only) within forty days from the date of commencement of the subsequent semester.

9.2 Promotion to Second Year

A candidate is promoted to the second year if he/she scores 50% of total credits from first year examinations irrespective the student is absent to any exam.

Promotion to Third Year

A candidate is promoted to the third year if he/she scores 60% of total credits from first year examinations and second year examinations irrespective the student is absent to any exam.

Promotion to Fourth Year

A candidate is promoted to the fourth year if he/she scores 60% of total credits from first year, second year and third year examinations irrespective the student is absent to any exam.

9.3 Year of Standing

The year of standing of a student shall be determined solely on the basis of his completion of certain number of credit hours as prescribed by the Academic Council.

10.0 GRADUATION REQUIREMENTS

10.1 The student shall satisfy minimum residential requirements and maximum duration as below. The minimum residential requirement is eight semesters for U.G. Degree Programmes at the University. The maximum duration of degree programmes is fourteen semesters (N+2) academic years where N=4 the duration of course. In cases where a student does not comply with the specified duration, the Executive Council may review the situation and consider exceptions for genuine reasons.

10.2 Requirements for Bachelor's Degree

student shall be declared successful or 'passed' in a semester, if he secures a $GP \geq 5$ ('C' grade or above) in every subject/course in that semester (i.e. when the student gets an $SGPA \geq 5.0$ at the end of that particular semester); and he shall be declared successful or 'passed' in the entire undergraduate programme, only when gets a $CGPA \geq 5.00$ ('C' grade or above) for the award of the degree as required.

10.3 Classification of Successful Candidates

The successful candidates after completion of graduation requirements, declaration of the division/class in the provisional degree certificate and degree certificate in the 10-point scale up to 3 decimal places shall be classified as:

11.0 STUDENTS RESPONSIBILITY

All undergraduate students studying in various faculties of this University are expected to know the requirements for the award of a Bachelor's Degree and general academic requirements and assume full responsibility for meeting them. They are expected to keep constantly in touch with their advisors so that the latter may watch their progress and guide them along the right lines. In no case a regulation be waived or exception made simply because a student pleads ignorance of it.

12.0 TRANSFER OF STUDENTS FROM OTHER UNIVERSITIES TO THIS UNIVERSITY IS NOT PERMITTED.

13.0 RECORD OF COURSES

To ensure that requirements for the award of degree have been completed by a student, the University shall keep a record of courses completed by the students. A copy of the same shall be maintained by the Dean of the concerned College as record of courses completed by the students. A copy of the same shall be maintained by the Dean of the concerned College.

14.0 AUTHORITIES TO APPROVE RESULTS AND ISSUE PASS CERTIFICATES, TRANSCRIPTS ETC.

The Vice-Chancellor shall approve the results on recommendation of the DOE and the Registrar shall issue the Provisional Pass Certificates, transcripts etc. to the candidates.

15.0 AWARD OF DEGREE

A student is eligible for the degree award if the candidate has secured the minimum number of credits (163 credits) required for a given programme with a CGPA greater than 5.00, subject to the completion of the programme within the maximum duration of the programme. After completing the programme, a provisional certificate cum memorandum of grades (PCMG) will be issued. The PCMG includes the secured grades and class achieved in the chosen programme and specialization, along with grades and CGPA secured by the student in the opted MOOCs Programmes. The original degree will be presented in the subsequent convocation.

Students can receive certificates upon completing specific milestones in the program:

- a. **Certificate in Engineering:** Upon completion of one year (earning 40 credits) and an 8-week summer workshop/Training/Certification from Industry.
- b. **Diploma in Engineering:** Upon completion of two years (earning 82 credits) and an 8-week summer workshop/Training/Certification from Industry.

16.0 AMENDING OR CANCELLATION OF RESULT

If the result of a candidate is discovered to be vitiated by error, malpractice, fraud, Improper conduct or any other reasons, the Vice-Chancellor shall have the power to amend the result in such a manner as to accord with the true position, and to make such declaration as the Vice-Chancellor may deem necessary in that behalf. If it is found that the result of a candidate has been vitiated by malpractices, fraud or other improper conduct whereby he has been benefited and that he has in the opinion of the Vice-

Chancellor, been a party to or connived at the malpractice, fraud or improper conduct, the Vice-Chancellor shall have the power at any time, notwithstanding the award of the degree or diploma or a certificate or prize a scholarship, to amend the result of such candidate and to make such declaration as the Vice- Chancellor may deem necessary in, that behalf, including debarring of the candidate from the University for such a period as may be specified and the cancellation of the result of the candidate in such manner as the Vice-Chancellor may decide.

17.0 TRANSITORY PROVISION

These regulations shall apply to the students who shall be admitted from the academic year 2023-24 and onwards.

- 18.0** No regulation made by the Academic Council, governing the undergraduate courses of study shall be constructed to limit or abridge the powers of the Academic Council to deal with any case or cases of any student or students of the under graduate courses in such manner as it may appear to it to be just and debarring of the candidate from the University for such a period as may be specified and the cancellation of the result of the candidate in such manner as the-Vice Chancellor may decide.
